

Lancaster Wings, Inc. is proud to present you with the opportunity to participate in our Friends and Family Discount Plan through Neace Lukens and AEP Energy to save money on your current local electricity supply costs.

Lancaster Wings, Inc. employees, who reside in Ohio, and their friends and family, can now take advantage of this special money saving program through this Friends and Family Discount Plan. With this exclusive deal, you could save money on your current local utility rate and get access to savings that are lower than AEP Energy's regular residential offer. Sign up today to start saving!

HOW DOES AEP ENERGY'S PROGRAM WORK?

With electricity deregulation, you have the power to choose who supplies your electricity, while your local utility continues to provide you the same electricity service with the same electricity bill. Your local utility will continue to read your meter, send you one bill that contains all of your charges, maintain the same power lines that bring electricity to your home and respond to emergencies. With AEP Energy you'll just pay less for the electricity that you use!

BENEFITS OF AEP ENERGY'S FRIENDS AND FAMILY DISCOUNT PLAN

- Save money on your home's electricity supply cost
- Receive the same electricity service from your local utility, but pay less for it.
- Easy, online enrollment
